

May 2007

Hello everyone! Wow, the show season has gotten off to a great start. The Mount Juliet show was a record breaker. There were 147 cars registered on the show field that day. The weather was wonderful, and the people came out. If this show was any indication, this year is shaping up to be a banner year for our club's shows.

The next meeting will be on Sunday, June 10 at 2:00 P.M. We are returning to Sunday meetings after a couple of months of Tuesday evening meetings. We are having several new members join the club. If you know of someone with an interest in old cars invite them to our shows and to our next meeting. Our club is going to continue to grow. We all have a love of these old cars, and there are many other folks who would enjoy our club also.

Our next show is at The Grandville Heritage Day on May 26. We will need all club members to help that day, as it is shaping up to be a large show. Grandville Heritage Day is more than a car show. We are part of all of the events offered there. Everyone will be able to find something of interest in Grandville that day.

On June 2, we are invited to the Hap Motlow meet in Lynchburg. The cost is \$10.00 per person. This is for the Bar B Q lunch at the Jack Daniels Distillery, including Lynchburg Lemonade. You will need to be there by 11:30 A.M. in order to catch the bus to the pavilion for lunch. You can take a tour of the distillery, and be a part of a good car show. The money needs to be sent in by May 23<sup>rd</sup>. Mrs. Jones is helping to coordinate this event. You can send the money to:

Ann Jones  
156 Sunset Drive  
Mt. Juliet, TN 37122

Or you can get it to me and I will make sure Mrs. Jones gets it. Please remember that reservations and payment must be made by May 23<sup>rd</sup>!

The First Annual Murfreesboro show will be on June 24<sup>th</sup>. It will be at the Wilson Bank and Trust in Murfreesboro. This will be our first show in Murfreesboro and we are looking forward to a great show and having a good time.

We are in the planning stages of a tour to Mr. Don Meadows place. Mr. Meadows is an avid collector of old cars. He has several Model T's and Model A's as well as other classic cars. I would venture to say that Mr. Meadows has one of the most extensive car collections in this area. This will be an event that you will not want to miss!

Please keep in mind our flagship show in Red Boiling Springs is on September 7<sup>th</sup> and 8<sup>th</sup>. It is a two-day show this year. Registration and flea market on Friday, Sept 7<sup>th</sup>

(over)

and on Saturday, Sept 8<sup>th</sup> registration continuing, with the flea market and the show.

Of course there is the Wilson County Fair car show on August 19<sup>th</sup>. Gladefest is on September 15<sup>th</sup> and Oktoberfest on Oct. 20<sup>th</sup>. More on these upcoming shows at a later date. We have a big year ahead of us! Mark your calendars now.

Our club is growing; and one area, in my opinion, that we have fallen behind in is keeping up with modern communication. This is the Information Age, and so many people turn to the internet as a source for almost everything. In times past, people waited for magazines and newspaper articles for announcements and information. Now people turn on their computer and have an amazing amount of information, on any subject, literally in front of them in seconds. The Board passed a motion that we investigate establishing an internet presence for our club. Mr. Charles Waterston has been talking with a web designer and we are going to establish a web page for our club. We are looking into hosting services for our site, and hopefully soon we will have our web page up and running. We should be able to offer club information, application forms, email addresses for club members, for sale items, and perhaps even some sort of discussion forum. We will let you know what the web address of our club's site is soon. As usual, if you would like this newsletter delivered to you in an email, as well as receiving one in the mail, make sure that I have your email address and I will add it to our mailing list.

I started a section in the last newsletter profiling a club member. For this newsletter, I had a time management problem and did not get it ready in time to include in this one. I apologize for that, and will do better in the future.

Please remember to get your money for the Lynchburg tour to Mrs. Jones or myself very soon. The deadline is May 23<sup>RD</sup>. My address is:
